

Phillip Salomao

ABOUT ME

Hello, I'm Phillip and I am a 23-year-old enthusiastic, self-motivated, responsible, and hardworking individual. I am a mature team worker and adaptable to all challenging situations. I thrive in fast-paced, challenging environments and have a proven ability to work collaboratively with teams to achieve project goals. I'm also constantly studying and learning in order to become an excellent professional. I've worked with many kinds of projects such as a truck track system using Google Matrix API, a Digital Marketing system integrated with marketing platforms API like Sendgrid, MailChimp and a NFT platform.
